

# Build your Brand

The right way - The right time - The right people

Broadcast Gallery is a beautiful and elegant slideshow presentation of the fine art masterpieces of all styles and price points. Our high-tech, gorgeous large screen smart monitors power the network at high-end restaurants and bars, and give you the opportunity to build your brand through advertising. Everyone loves Fine Art. People engage quickly with the broadcast as soon as they see it. The Broadcast Gallery clearly has the attention of the affluent sector of the market.

Discreetly placed in between fine art slides, are what we call "Elegant Ads". Ads show once every 1-5 minutes, depending upon the venue selection. This allows

you to place your brand in front of upscale, upper-income patrons, in public view. Advertise the right way (a broadcast so enjoyable they can't ignore it), to the right people (the affluent), at the right time (when relaxed and enjoying themselves).

With disposable income, our segmented demographic are your ideal customers. We carefully pre-qualify our advertisers and provide free full-service creative's that we seamlessly integrate into the broadcast, which maintains the brand quality our venues expect.
